Osstyrol ABS-MATT

Osstyrol ABS-SUPERMATT

Osstyrol ABS-GLOSS

Osstyrol ABS-HH

Osstyrol ABS-HH/TPU

Osstyrol TPU/ABS-HH/TPU

Osstyrol HIPS-PRIINT

Osstyrol LPS-TOP (< 10E4 Ohm im AZ)

Osstyrol LPS-TOP (10E4-10E6 Ohm im AZ)

Osstyrol LPS 2.0-TOP (< 10E4 Ohm im AZ)

Osstyrol LPS 2.0-TOP (10E4-10E6 Ohm im AZ)

Date of declaration: **1.10.2025**

Regulation (EC) 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

According to the REACH Regulation (EC) 1907/2006 Hagedorn Plastisol Deutschland is downstream user of preparations. Hagedorn Plastisol Deutschland does not produce any substances. The purchased preparations are converted into articles according to the REACH definitions.

Please be advised that based on the information available to us from suppliers the purchased preparations do not contain as intentionally additives or ingredients any of the Substances of Very High Concern-List (SVHC-list) above the maximum concentration values tolerated by weight in homogeneous materials.

Hagedorn Plastirol

part of PAG

So far, Hagedorn Plastirol Deutschland is not aware that the product(s) as mentioned above contain substances included in the SVHC-List as published by ECHA above the maximum concentration values tolerated by weight in homogeneous materials.

Directive 2011/65/EU and amendment 2015/863/EU of the European Parliament which is known as RoHS-directive.

The product is in conformity.

Directive 2019/1021 of the European Parliament on Persistent Organic Pollutants (POP).

The product is in conformity.

Regulation (EC) 2017/821 of the European Parliament and of the Council of 17 May 2017 laying down supply chain due diligence obligations for Union importers of tin, tantalum and tungsten, their ores, and gold originating from conflict-affected and high-risk areas

Hagedorn Plastirol Deutschland does not use conflict minerals in manufacturing its products. Conflict minerals are not necessary to the functionality or production of our products. Hagedorn Plastirol Deutschland is not aware of any conflict minerals sourced from the Democratic Republic of Congo or adjoining countries in our supply chain.

Many substances are ubiquitous. The observance of all these substances is not part of ongoing production control. In view of the many factors that may affect processing and application of our products, this information does not relieve the processor from carrying out own investigations and tests, neither does this information imply any guarantee for certain properties nor the suitability of the product for a specific purpose. It is the responsibility of the recipient of our products to ensure that any proprietary rights and existing laws and legislation are observed.

This declaration refers to the state of the laws at the date of issue and expires after 12 months or in the case of regulatory changes.
